

Power Chairs

Reference no. PC027

Cruiser 27

Provided model has blue trim.

The range and speed of the Cruiser 27 may vary depending on the weight of the user, terrain type, outside temperature and battery charge. We advise that you plan your route to avoid adverse terrain, inclines, kerbs and steps if possible; if this is unavoidable, we do not advise an incline above 5° and a kerb / step above 4cm (1.5"). If it has been agreed that adjustments are necessary, this will need to be done prior to 1pm on the day of the cruise. Please arrange this with the office.

Max user weight	136kg / 21st	Kerb climber	No
