

## **Bathing & Toileting Reference no. BT049**

Tilt in Space Shower Commode Chair  
Ocean Dual VIP

The seat and back supports on the Aquatec Dual VIP shower commode chair can be adjusted independently for greater positioning control. A change in angle can bring relief and comfort for those at risk of pressure ulcers/other associated problems.

The Aquatec Dual VIP maintains an excellent level of support and tilts in a wide variety of angles for maximum effectiveness. The gas springs controlling the tilting mechanism make adjusting the position of the chair easy for carers.
