Reference no. ST034

Supascoota Sport XL

A truly portable scooter with heaps of leg room. The dual motor drive system gives impressive performance and has a super light frame design with seat suspension. While the Sport XL is similar to the HD MK2, it has a slightly longer wheelbase and larger rear wheels. The Sport XL is suitable for the taller person.

Due to the design of the frame, this scooter may not be suitable for certain ships

– please ask a member of staff for more details.
