Otter Bathing Chair (Large)

The Otter Bathing Chair is made from a durable plastic frame is lightweight for carrying, the seat and back are angle adjustable and have five angle adjustments at 0, 22.2°, 45°, 67.5° & 90° to suit requirements of user. Adjustable slip resistant legs increase stability and raise chair up to 18cm (7") to facilitate transfers and accommodate carer's ideal working height. Height can be adjusted with user in chair for ultimate flexibility. Uni-Bars allow seat and back angle adjustments to be made effortlessly and tool free with one hand. Two positioning straps secure user for safety. The chair has height and width adjustable lateral supports that can be used for positioning the head or trunk. Folds flat for easy storage and transportation. The shower stand raises the Otter to a convenient height for easier transfers and carer access and has four castor wheels with breaks.
