

Wheelchairs

Reference no. WC012

16" Self-Propelled Wheelchair

This 16" Self-propelled wheelchair has a lightweight aluminium folding frame, it also features swing back and detachable armrests to help with side transfers. This wheelchair has user operated brakes only. We advise that you plan your route to avoid adverse terrain, inclines, kerbs and steps (if this is unavoidable, we do not advise an incline above 5 degrees and kerb or step above 3cm/1.1").

Please be mindful that gangways and airbridges can vary in the degree of gradient due to the tides, some products are not designed to cope with acute slopes.

THIS PRODUCT NEEDS TO BE FOLDED AND PUSHED THROUGH NARROW CABIN DOORWAYS.
