

Power Chairs

Reference no. PC004

Cruiser 4 - 312 Turnabout Power Chair

The 312 Turnabout power chair is an ideal companion for cruising as the seat can be rotated 180° if you find yourself with less room to turn, this also gives you the option of forward or rear wheel drive. This chair comes equipped with a large padded captains seat and flip up arms for easy transfer. On board are 2x 45Ah AGM dry cell batteries which can give a max speed of 6kmh(3.8mph) and a max range of 29km(18miles), although the range and speed of the chair may vary depending on the weight of the user, terrain type, outside temperature and battery charge. We advise that you plan your route to avoid adverse terrain, inclines, kerbs and steps if possible; if this is unavoidable we do not advise an incline above 5° and a kerb / step above 4cm(1.5"). If it has been agreed that adjustments are necessary, this will need to be done prior to 1pm on the day of the cruise. Please arrange this with the office.

Specifications

Ground Clearance:	5cm / 2"
Length:	96cm / 38"
Width:	61cm / 24"
Seat Width:	45.7cm / 18"
Turning Radius:	118cm / 46.5"
Weight with batteries:	89.6kg / 198lbs
Maximum user weight:	159kg / 350lbs
