

Power Chairs

Reference no. PC005

Cruiser 5 - Pronto Power Chair

The Pronto power chair is a mid wheel drive chair with a range of adjustments available. On board are 2x 32Ah AGM dry cell batteries which can give a max speed of 6kmh(3.8mph) and a max range of 19km(11.8miles), although the range and speed of the chair may vary depending on the weight of the user, terrain type, outside temperature and battery charge.

We advise that you plan your route to avoid adverse terrain, inclines, kerbs and steps if possible; if this is unavoidable we do not advise an incline above 5° and a kerb / step above 4cm(1.5"). If it has been agreed that adjustments are necessary, this will need to be done prior to 1pm on the day of the cruise. Please arrange this with the office.

Specifications

Ground Clearance:	7cm / 2.75"
Length (Max):	103cm / 40.5"
Width:	63cm / 25"
Seat Width:	45.75cm / 18"
