

## **Mobility Scooters**

**Reference no. ST017**

**Stowaway Ultra**

The Stowaway ultra scooter disassembles into 5 pieces for easy storage with the heaviest piece weighing 20kg (44lbs). It is provided with solid tyres and 2x 18ah AGM dry cell batteries to give a maximum range of up to 20km (13miles) and a max speed of 6.4kph (4mph), although the range and speed of the scooter may vary depending on the weight of the user, terrain type, outside temperature and battery charge. There is a swivel seat and arms that lift making for easy access on and off the scooter. We advise that you plan your route to avoid adverse terrain and inclines if possible; if this is unavoidable we do not advise an incline above 5°.
